

## COMMENT CARD

# South Delta Improvements Program

Date: 10/9/2002

Thank you for attending today's meeting and participating in the scoping process for the South Delta Improvements Program. The purpose of the scoping process is to seek early public input regarding alternatives, concerns and issues to be addressed in the Environmental Impact Report (EIR) and Environmental Impact Statement (EIS). The scoping process also helps to identify project impacts, alternatives, mitigation measures, and environmental subject areas to be addressed.
